

SMALL GROUP GUIDE

SMALL GROUP ZOOM BREAKOUT ROOM 1 Artificial Intelligence and Digital Health

In your small working group (40 minutes each optional rotation)

1. Lead introductions among those present, *including when new members rotate in*.
2. Identify your volunteers (**these group members will not rotate rooms 😊**) –
 - a. **Group Facilitator** will lead the group discussions below.
 - b. **Scribe** will take notes in this document & report out for the group towards the end of the ThinkTank.
 - c. **Timekeeper** will let Group Facilitator know when 40 minutes have passed during discussions.
 - d. **Tech Support** will check in with the Main Room and your Breakout Room to ensure all are in rooms.
3. Have the Scribe type bullet points **here below** describing group discussions regarding the following.
4. Please discuss the following questions.
 - i. How can we collaborate on Artificial Intelligence and Digital Health to advance **prevention efforts** in Cardiology, Oncology, and Cardio-Oncology?
 - ...
 - ...
 - ...
 - ...
 - ...
 - ii. How can we collaborate on Artificial Intelligence and Digital Health to advance efforts at **eliminating ethnic and racial disparities** in Cardiology, Oncology, and Cardio-Oncology?
 - ...
 - ...
 - ...
 - ...
 - ...
 - iii. How can we **increase collaborations among Cardiologists and Oncologists** on topics relevant to Artificial Intelligence and Digital Health?
 - ...
